

**CROSS-CUTTING ISSUES POLICY WORK GROUP
COLORADO CLIMATE ACTION PANEL
Notice of Meeting #4**

Notice is hereby given to the members of the Cross-Cutting Issues Policy Work Group (PWG) of the Climate Action Panel (CAP), and to the general public, that the PWG will hold a meeting on **May 4, 2007 from 1:00 pm – 4:00 pm Mountain time** at the National Renewable Energy Laboratory (NREL) offices in Golden, Building 17, Room 303 (directions below). This meeting will be in-person, with an option to participate by teleconference. Members may attend either in person or via teleconference. This meeting is open to the public.

Please note:

- **At the visitor entrance, you'll need to present a photo ID and be escorted in a group to the meeting room.**
- **For DIRECTIONS TO DENVER NREL, please see:** http://www.nrel.gov/visiting_nrel/directions_maps.html. Please select the direction from which you're coming and also select the "Denver West Office Park" campus from among the different NREL locations to get directions. You will also want to click "zoom in" on the Denver West section of the NREL map to see the location of building 17; the written directions will take you to building 17, as that is the central visitor entrance location for the NREL offices.

The agenda for the meeting is as follows:

1. Call to Order and PWG Roll Call
2. Review of PWG Meeting #3 Summary
3. Review of Results of CAP Meeting #3
4. Review Goals for CAP Meeting #4 (scheduled for May 22, 2007)
5. Review and Discussion of Next Steps for the PWG
6. Discussion regarding development of straw proposals for draft policy options
7. Agenda, Time and Date for Next Meeting
8. Public Input and Announcements

Background materials and instructions for participating in this meeting may be viewed at http://www.coloradoclimate.org/Cross_Cutting.cfm.

If you have any questions please contact the PWG facilitator, Ken Colburn, CCS (617-784-6975, kcolburn@symbioticstrategies.com) or Randy Strait, CCS (919-425-5609, randys@nc.rr.com) or Tom Easley, RMCO (303-399-4686, easley@rockymountainclimate.org).
