

**Meeting #3
Colorado Climate Project
May 3, 2007**

Meeting To Be Held at the National Renewable Energy Laboratory, Golden, Colorado

The Climate Action Panel (CAP), which will develop recommendations for actions to be taken in Colorado to reduce our contribution and vulnerability to climate change, will meet from 9:00 am to 4 pm on Thursday, May 3, 2007 at the National Renewable Energy Laboratory in Golden, Colorado. This will be the third of six meetings the panel will have through October 2007 as it develops recommendations facilitated by the Center for Climate Strategies and to be presented by the Rocky Mountain Climate Organization to the Colorado Governor, the Colorado General Assembly, local governments, and others in Colorado for their consideration. Directions and additional information about the meeting are posted the project web site at:

www.coloradoclimate.org.

The agenda for the meeting is as follows:

- Welcome and Introductions
 - Midwest Research Institute
 - Heidi Vangenderen, Climate Change Advisor to Governor Ritter
- Review of Day's Agenda
- Review and Approval of Draft Summary of Climate Action Panel (CAP) Meeting #2
- Updates to Project Schedule
- Discussion of Adaptation Issues
- Review and Approval of Draft Priorities for Analysis
- Next Steps of Policy Work Groups (PWGs) and CAP on Straw Policy Design Proposals
- Agenda, Time and Date for Next Meeting
- Public Input and Announcements
